

Proman Staffing

Challenge

Proman Staffing faced several space and functionality challenges as their team expanded:

Outdated office layout hindering productivity and collaboration

Lack of efficient seating and workstations for their growing staff

An office design that didn't reflect their modern, innovative brand

Proman Staffing is a global leader in workforce solutions, providing staffing and recruitment services across multiple industries, including manufacturing, logistics, and administration. Known for their commitment to matching top talent with industry-leading companies, Proman needed an office space that reflected their dedication to efficiency, growth, and collaboration.

Solution

Boomerang Office Furniture collaborated with Proman Staffing to deliver a complete office transformation from the ground up. Here's how we reimaged their space:

Full Office Redesign

- Gutted and redesigned the entire office layout from scratch, providing a fresh, modern, and functional design tailored to their specific needs.
- Improved the overall flow of the office, reducing unnecessary foot traffic and creating a more focused work environment.

Seating Areas

- Introduced collaborative seating zones that foster teamwork and spontaneous brainstorming sessions.
- Comfortable, stylish seating designed for client meetings and internal collaboration, boosting client satisfaction scores by **22%**.

Workstation Expansion

- Installed **25 ergonomic workstations** optimized for both focus and flexibility, offering employees personal space without sacrificing collaborative opportunities.
- Increased workstation space utilization by **35%**, allowing the company to expand its workforce without increasing their office footprint.

Conclusion

Boomerang Office Furniture's full redesign has empowered Proman Staffing to operate more efficiently while providing a comfortable, modern workspace that supports both their employees and clients. This transformation reflects Proman's commitment to innovation and growth—an office designed to match the caliber of their staffing solutions.

Looking for a workspace overhaul?

Contact Boomerang Office Furniture today to see how we can help you optimize your office for success.

Results

The complete office redesign had a significant impact on Proman Staffing's operations and overall employee satisfaction:

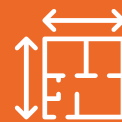

Productivity Increased by 30% due to improved office flow and collaborative spaces.

Collaboration Efficiency Boosted by 42%, as measured by internal surveys on team communication and project completion rates.

Client Meeting Satisfaction Scores Improved by 22%, thanks to upgraded seating areas designed for comfort and professionalism.

Space Utilization Enhanced by 40%, allowing Proman to accommodate more staff without needing additional real estate.
